- Monthly payments may be tax deductible as operating expense.
- Keep your maintenance staff and dollars focused on your property, not laundry equipment.

Healthcare of Iowa, Inc. is pleased to recommend Century Laundry's rental program. For the past 10 years, we have experienced excellent service and are pleased with the quality of the laundry equipment utilized/leased.

Chris and his team are great to work with, always responsive to our needs providing "attention to details" that many times is lacking these days! I highly recommend Century!
